Open our primaries in Pennsylvania

- *In Pennsylvania and 18 states, independents cannot vote in the primaries.*
- *Close to 1,000,000 Pennsylvanians are registered as independent/unaffiliated voters.*
- *Polls show independents making up 40% of the electorate nationwide*
- *Closed primaries disenfranchise many Pennsylvanians.*

Independent Pennsylvanians is an association of independent and independent-minded voters. We are affiliated nationally with Independentvoting.org. We support issues and campaigns at the local, state and national level designed to increase the visibility and power of independent voters in Pennsylvania—now the fastest growing political force in America.

I support Open Primaries in Pennsylvania for Independents/non-affiliated voters
